Fathers Day

- In the eyes of the little girl her father was courageous, selfless and loving man.
- After hearing about' Mother's Day in 1909, Sonara told her pastor that fathers should have a similar holiday honoring them.

D for Dad

She wanted all dad's in America to be honored so she chose June 19th as the day to pay tribute to all dads in Washington . Almost sixty years later President Lyndon Johnson chose third Sunday of June to be fathers day.
